FOR WALTHAMSTOW

"I have lived in Walthamstow for 30 years, I had my children in Whipps Cross and they both went to local schools. I worked in Waltham Forest library service for 12 years until I lost my job in January 2012 because of cuts.

I'm a socialist and a trade unionist and have spent most of my life campaigning for the things that matter to ordinary people. We're being hammered by cuts from all the main parties - and they all promise more of the same. TUSC is about working class people uniting to fight for jobs, homes, and public services."

DONATE TO THE TRADE UNIONIST & SOCIALIST COALITION

Running election campaigns is expensive. Unlike the four big pro-cuts parties, TUSC gets no donations from big business and the super-rich - and we wouldn't want it! Our backers are ordinary people who want a working class voice to stand up to Cameron, Clegg, Miliband and Farage - and all the rest like them.

We're asking supporters in Waltham Forest to consider trying to raise £50 by the May election - or whatever you can manage. What about giving us £1 or £2 a week? Or £20 a month? Or £10 right now?
